# BIO POWER

## WATERLESS HAND SOAP

With the scrubbing power of micro beads and the grease-cutting strength of D-limonene, **BIO POWER** cuts tough grease and grime and is ideal for use in automotive shops and industrial facilities. **BIO POWER** contains natural citrus solvents to remove grime such as dirt, grease, inks, carbon black, gasket cement, and tar, yet leaves behind a pleasant feel and fragrance. This soap can be used with or without water. *Extra hand pumps are available for an additional charge.*

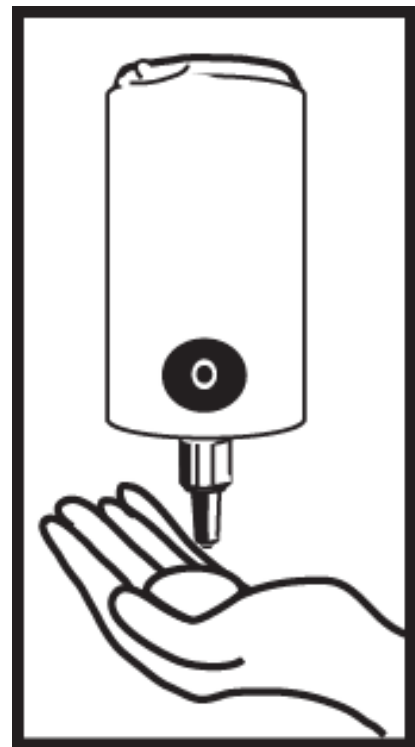

**ORDER #1H.26BI**

## AREAS OF USE

Use **BIO POWER** to eliminate grease and soils that normal soaps can't handle. This soap is popular with automotive shops, machine shops, and industrial operations.
