

CENTZIBLE CLEANING SOLUTIONS

ICE CRUSHER

NON-AMMONIATED STRIPPER

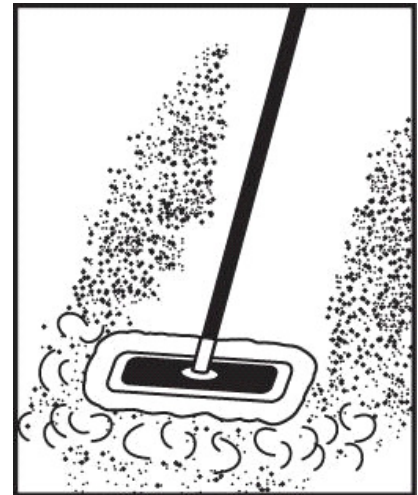

ICE CRUSHER is fast and effective on finishes that have been buffed at high speeds for extended periods of time. Concentrated and formulated for use on all polymer floor finishes, **ICE CRUSHER** can also be used in many industrial settings where petroleum-based grease and oils need to be removed.

ORDER #1J.90

ADDITIONAL PRODUCT INFORMATION

- Easy to use
- Free-rinsing
- Non-flammable
- Heavy-duty

ICE CRUSHER is a floor stripper that is capable of breaking loose floor finish buildup on all types of hard flooring without the ammonia odor. **ICE CRUSHER** is specifically designed to remove today's high-speed metal interlock finishes with a buffing machine and strip pad in less time.
