BLU FOME

CONCENTRATED LIQUID DISH DETERGENT

BLU FOME is a mild, concentrated liquid detergent for hand-washing greasy dishes in commercial, industrial, and institutional kitchens. It is safe for use with enzyme grease trap treatment. **BLU FOME** complies with Board of Health and Restaurant codes.

Unlike ordinary detergents, **BLU FOME** is a 100% synthetic detergent composed of nonionic and anionic surface active agents coupled with a solubilizer, which is added to keep the product consistent at low temperatures.

Every batch of **BLU FOME** is tested in the laboratory to guarantee the ultimate in performance.

ORDER #1F.22

AREAS OF USE

- Dishes
 - Glasses
 - Pots and pans
 - Silverware
- Also use **BLU FOME** to gently wash woollens and fine washables.
